### Other Measures

As part of NSS activities, free multi-specialty medical camps are organized fortnightly in villages, which help transform rural women by building awareness about health, hygiene, and the importance of child education.

- To develop students' sensibility about issues of gender in contemporary India.
- To provide a critical perspective on the socialization of men and women.
- To introduce students to information about some key biological aspects of genders.
- To expose the students to debates on the politics and economics of work.
- To help students reflect critically on gender violence.
- To expose students to more egalitarian interactions between men and women.
