7.3. INSTITUTIONAL DISTINCTIVENESS

Balaji institute of Pharmaceutical Sciences has been established in the academic year 2005 by Maheshwara Educational Society, Warangal with the motto of providing quality holistic Pharmacy education & Research focusing on the integrated personality of students.

It has the unique characteristics and qualities that distinguish an educational institution from others in terms of its mission, vision, values, academic programs and support services usually because it has existed for a long time. The three pillars in the institution, namely the regulatory pillar, the normative pillar, and the cognitive cultural pillar, are the three elements that social theorists consider a vital element of the institution.

Vision of BIPS is to mold and empower students in the pursuit of knowledge, values and social responsibility and help them achieve excellence in various fields, thereby also preparing them to face global challenges, this is because the wealth of a nation and sustainable development lies in the quality of education and sense of social responsibility imparted to the youth. The college never faltered in inspiring the students towards holistic advancements. The purpose of value education is the development of the personality of the student.

Value-based education of ours along with regular curriculum aims at training the students to face the outer world with the right attitude. It is a process of overall personality development of a student which includes Character development, Personality development, Social conscience development and Spiritual development. Coordination between management, staff, non-teaching staff and students has created an organizational culture, which fosters innovation and enterprise for the successful implementation of the college's vision and mission. The college innovation ecosystem fortnightly organizes various workshops, programs, seminars etc. that provide opportunities for the students to conceptualize plan and implement the ideas with the changing dynamics of the world.
