Our institution is affiliated to **KU, Warangal** and the college academic curriculum is designed by the Board of studies at the university. Board of studies prepares curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals (of the affiliated colleges) before preparing the Blue print of the curriculum.

Institutions obtains feedback is collected and analyzed at college designs and development from various stake holders. The feedback collected and analyzed at college academic meetings in the institution. Based on their feedback requirement, institution plan to do as follows:

- Guest lecturers for the students on soft skills and personality development are arranged with experts.
- Plan to conduct JAM sessions to improve their communication skills.
- The soft skills training focused more on the participative games and team building.

Innuendoes about curriculum are conveyed by the principal to the University through attending meetings in the university.
