REPORT

Name of the activity: Positive attitude, Creative thinking and Team work training

Program

Date: April, 9th, 2019

Resource person: Dr.S.Ramchandar

Professor, Department of Psychology, KU

Balaji institute of pharmaceutical sciences organized soft skills i.e. "Positive attitude, Creative thinking and Team work training" for B pharmacy IVth year and Pharm.D. VI th year students by Dr.S.Ramchandar from 3rd April, to 9th, 2019. The aim of conducting this programme was to set goal of critically thinking by solving problems or taking/ making decisions. This is achieved by only stability of brain functioning in a clear, analytical/ logical, reasoned, and reflective manner so you can understand things in easy manner. 104 students have attended this programme. Dr.S.Ramchandar took interactive sessions where she explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training Dr.S.Ramchandar conducted open feedback from the students who asked and confessed that soft skills helped them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to Dr.S.Ramchandar and students for making the program fortuitous.

Report

REPORT

Name of the Program: Communicative English training

Duration of Training: 18 oct,2018 to 31 march 2019

Resource Person Details: Mrs. A. Karunasree

Assistant Professor,BITS

Balaji Institute of Pharmaceutical Sciences as per the academic syllabus conducted a class work on "Communicative English training" for B pharmacy 1st year and Pharm-D 1st year students throughout the semester by Mrs. A. Karunasree from 18 oct,2018 to 31 march 2019. The main objectives of conducting Communicative English training was

- ✓ To review the grammatical forms of English and to utilize these forms in specific communicative contexts, which include class activities, homework assignments, reading of texts and writing.
- ✓ To attain and enhance competence in the four modes of literacy, writing, speaking, reading and listening.
- ✓ To develop interaction skills.
- ✓ To produce a short research paper using the drafting process.
- ✓ To develop their ability as critical readers and writers.

90% students from both the years have attended this informative program Mrs. A. Karunasree took interactive sessions where she explained the importance of English learning and how they are most important in the corporate field. On the last day of the training she conducted group activity program among the students and assessed group activity performance of the students. An open feedback of the students have been asked and confessed that English training ensured them to be more productive and confident. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Mr. Mrs. A. Karunasree.

Details of the activity

Date : June 14 th, 2018

Name of the activity: Blood donation camp

Resource person: Red cross society & Lions club of India

Balaji Institute of Pharmaceutical Sciences has conducted Blood donation camp with the cooperation of Indian Red Cross society in the college premises in association with Lions Club of India, Hanamkonda. 60 students participated in this program. Donation of blood really helps the people who are in need of it. Blood cannot be made artificially; the only source of blood is getting it from a healthy donar. The person who donates the blood can also boost his immune system as he will be able to generate new blood cells which have an enhanced activity. Students who are eligible to donate the blood has donated and helped the people who were in need.

REPORT

Name of the Program: International Yoga Day

Duration of Training: 21" June 2018

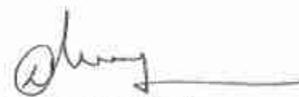

Resource Person Details: K.Rajini

Yoga consultant

Balaji Institute of Pharmaceutical Sciences organized "A training program" on "International Yoga Day" for B. Pharmacy and Pharm-D students on 21st June 2018 by K.Rajini. She Created awareness about the significance of yoga in daily lives and how it helps in maintaining the calmness of mind by conducting a demonstrative session.

About 271 students from both the courses have attended this informative program. Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that the International Yoga Day training program was very helpful. The management and principal of Balaji Institute of Pharmaceutical Sciences expressed the gratitude to K.Rajini and students for making the program successful.

Report

Date: 26/11/2019

Name of the activity: Interpersonal skills

Duration: 9th, Nov to 26th, 2019

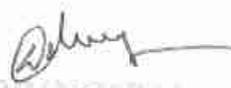

Resource person: G.Bhanu prathap
Assistant professor
Department of pharmaceuticals

Balaji institute of pharmaceutical sciences conducted "A training program on "interpersonal skills" for B pharmacy III & IV year and Pharm D VI th year students by G.Bhanu prathap from 9th, Nov to 26th, 2019

The motto of this programme is to engage students in meaningful interactions with others, which will enhance their communication skills and also to make students aware of the skills gap and shortage found in the industry and the importance of cluster of personality traits, managing people, body language, Took interactive sessions where he explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training G.Bhanu prathap conducted open feedback from the students who asked and confessed that soft skills helped them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to G.Bhanu prathap and students for making the program fortuitous.

REPORT

Date: 7, March, 2020

Name of the activity: Positive attitude, Creative thinking and Team work training program

Duration: 2th March to 7th,2020

Resource person: Dr.A.Ramesh.

Balaji institute of pharmaceutical sciences organized soft skills i.e. "Positive attitude, Creative thinking and Team work training" for B pharmacy III year and IVth year students by Dr.A.Ramesh from 2th March to 7th,2020. The aim of conducting this programme was to set goal of critically thinking by solving problems or taking/ making decisions. This is achieved by only stability of brain functioning in a clear, analytical/ logical, reasoned, and reflective manner so you can understand things in easy manner. 104 students have attended this programme. Dr.A.Ramesh Took interactive sessions where she explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training Dr. Dr.A.Ramesh conducted open feedback from the students who asked and confessed that soft skills helped them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to Dr.A.Ramesh and students for making the program fortuitous.

REPORT

Name of the Program: Communicative English training

Duration of Training: 15 nov,2019 to 30 april 2020

Resource Person Details: Mrs. A. Karunasree

Balaji Institute of Pharmaceutical Sciences as per the academic syllabus conducted a class work on "Communicative English training" for B pharmacy 1st year and Pharm-D 1st year students throughout the semester by Mrs. A. Karunasree from 15 nov,2019 to 30 april 2020. The main objectives of conducting Communicative English training was _____

- >To review the grammatical forms of English and to utilize these forms in specific communicative contexts, which include class activities, homework assignments, reading of texts and writing.
- >To attain and enhance competence in the four modes of literacy, writing, speaking, reading and listening.
- >To develop their ability as critical readers and writers.
- >To develop interaction skills.
- >To produce a short research paper using the drafting process.

86% students from both the years have attended this informative program Mrs. A. Karunasree took interactive sessions where she explained the importance of English learning and how they are most important in the corporate field. On the last day of the training she conducted group activity program among the students and assessed group activity performance of the students. An open feedback of the students have been asked and confessed that English training ensured them to be more productive and confident. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Mr. Mrs. A. Karunasree.

REPORT

Details of the activity

Date : 4, Dec, 2019

Name of the activity: Blood donation camp

Resource person: Red cross society and lions club

Balaji Institute of Pharmaceutical Sciences has conducted Blood donation camp with the cooperation of Indian Red Cross society in the college premises in association with Lions Club of India, Hanamkonda. 80 students participated in this program. Donation of blood really helps the people who are in need of it. Blood cannot be made artificially; the only source of blood is getting it from a healthy donor. The person who donates the blood can also boost his immune system as he will be able to generate new blood cells which have an enhanced activity. Students who are eligible to donate the blood have donated and helped the people who were in need.

Report

Date: 30th, april 2021

Name of the activity: Interpersonal Skills

Duration: 18th, april to 30th, 2021

Resource person: Dr.P Bharath

Balaji institute of pharmaceutical sciences conducted "A training program on "interpersonal skills" for B pharmacy III, IV year and Pharm D Vth , VIth year students by Dr.P Bharath from **18th, april to 30th, 2021**. The motto of this programme is to engage students in meaningful interactions with others, which will enhance their communication skills and also to make students aware of the skills gap and shortage found in the industry and the importance of cluster of personality traits, managing people, body language, Took interactive sessions where he explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training Dr.P Bharath conducted open feedback from the students who asked and confessed that soft skills helped them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to Dr.P Bharath and students for making the program fortuitous.

Report

Date:12/01/2022

Name of the activity: Interpersonal Skills

Duration:

Resource person: .T.Sharath

Balaji institute of pharmaceutical sciences conducted "A training program on "interpersonal skills" for B pharmacy IV year and Pharm D ,VIth year students by T.Sharath from 2jan to12 jan2022

. The motto of this programme is to engage students in meaningful interactions with others, which will enhance their communication skills and also to make students aware of the skills gap and shortage found in the industry and the importance of cluster of personality traits, managing people, body language, Took interactive sessions where he explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training T.Sharath conducted open feedback from the students who asked and confessed that soft skills helped them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to T.Sharath and students for making the program fortuitous.

REPORT

Date: 16/06/2022

Name of the activity: Time Management and resume building, speaking skills

Duration: 12th, april to 16th,2022

Resource person: Dr.G.Narendar

TASK TRAINER

Balaji institute of pharmaceutical sciences organized soft skills i.e. "Time Management and resume building, speaking skills" for B pharmacy IVth year and Pharm.D VIth year students by Dr.G.Narendar from 12th,june to 16th,2022. The aim of conducting this programme was to develop communication, leadership qualities and practical, programmatic perspective of work of each and every student. 72 students have attended this programme. Dr.G.Narendar Took interactive sessions where he explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training Dr.G.Narendar conducted group activity among the students and assessed their activities. He has taken feedback from the students and confessed that soft skills ensured them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to Dr.G.Narendar and students for making the program fortuitous.

Duration of Training: 23 dec,2021 to 30,june2022

Resource Person Details: Mr. Md. AZAM

Balaji Institute of Pharmaceutical Sciences as per the academic syllabus conducted a class work on "Communicative English training" for B pharmacy 1st year and Pharm-D 1st year students throughout the semester by Mr. Md. AZAM from 23 dec,2021 to 30,june2022. The main objectives of conducting Communicative English training was

- ✓ To review the grammatical forms of English and to utilize these forms in specific communicative contexts, which include class activities, homework assignments, reading of texts and writing.
- ✓ Attain and enhance competence in the four modes of literacy, writing, speaking, reading and listening.
- ✓ Develop their ability as critical readers and writers.
- ✓ Develop interaction skills.
- ✓ RESEARCH writing skills

91% students from both the years have attended this informative program Mr. Md. AZAM took interactive sessions where she explained the importance of English learning and how they are most important in the corporate field. On the last day of the training she conducted group activity program among the students and assessed group activity performance of the students. An open feedback of the students have been asked and confessed that English training ensured them to be more productive and confident. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Mr. Md. AZAM.

REPORT

Name of the Program: Cardiopulmonary resuscitation training

Duration of Training: 04jan, 2022

Resource Person Details: Dr.shivaramakrishna

Balaji Institute of Pharmaceutical Science

Balaji Institute of Pharmaceutical Science organised "A training program on "Cardiopulmonary resuscitation training for B. Pharmacy 1st year and Pharm-D I and Ist year students by Dr.Bharath on 04 jan, 2022.

The main objectives of conducting CPR Training is to manage an unresponsive casualty for the ones who is having an issue in normal breathing

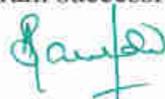

- ✓ To Recognize and know the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

About 120 students from both the years have attended this informative programs. The talk gave a detailed information about-

- ✓ Assess the scene for danger.
- ✓ Assess a casualty's level of consciousness and minimize the damage.
- ✓ Demonstrate how to open a casualty's airway and check for breathing.
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position.

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was very helpful as part of their Hospital postings. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Dr.Bharath students for making the program successful.

REPORT

DATE: 30 April 2022

Name of the activity: Menstrual hygiene awareness program

Resource person: Dr.P.Usha sri

Balaji Institute of Pharmaceutical Sciences has organized a menstrual hygiene awareness program for the adult girls studying at secondary school Laknepally village. Dr.P.Usha Sri and team has visited the school and assembled the girls in a hall and explained the chances of the infections they may get and problems they may face if they don't maintain the hygienic conditions during the menstrual time. Pharm-D 9students 45 students) who shall have little exposure to the medical issues related to these also interacted with the school children and made audio visual presentation to create awareness among the children. School principal thanked the team for conducting such a usefull program

Name of the activity: Positive attitude, Creative thinking and Team work training
program

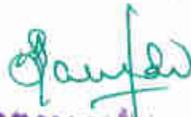

Duration: 7th , Nov to 14th ,2022

Resource person: V.VIKAS

Task Trainer

Balaji institute of pharmaceutical sciences organized soft skills i.e. "Positiv attitude, Creative thinking and Team work training" for B pharmacy IVth year and Pharm.d Vith year students by V.VIKAS from 7th , Nov to 14th, 2022. The aim of conducting this programme was to set goal of critically thinking by solving problems or taking/ making decisions. This is achieved by only stability of brain functioning in a clear, analytical/ logical, reasoned, and reflective manner so you can understand things in easy manner. 88 students have attended this programme. V.VIKAS Took interactive sessions where he explained the main role of soft skills learning and how they became most important in the corporate field. On the last day of the training V.VIKAS conducted open feedback from the students who asked and confessed that soft skills helped them to be more productive. The management and principal of Balaji institute of pharmaceutical sciences expressed the gratitude to V.VIKAS and students for making the program fortuitous.

REPORT

Name of the Program: Communicative English training

Duration of Training:

Resource Person Details: Mr. P. Adinarayana

Assistant Professor, BIPS

Balaji Institute of Pharmaceutical Sciences as per the academic syllabus conducted a class work on "Communicative English training" for B pharmacy 1st year and Pharm-D 1st year students throughout the semester by Mr. P. Adinarayana from 1 dec,2021 to 30,June,2023. The main objectives of conducting Communicative English training was

- ✓ >To teach grammatical forms of English which are useful in communicative contexts, and which include class activities, homework assignments, reading of texts and writing.
- ✓ Enhance competence in the four modes of literacy, writing, speaking, reading and listening.
- ✓ To improve critical reading and writing.
- ✓ Useful for interaction skills.
- ✓ Useful in writing tips for research paper

86% students from both the years have attended this informative program Mr. P. Adinarayana took interactive sessions where she explained the importance of English learning and how they are most important in the corporate field. On the last day of the training she conducted group activity program among the students and assessed group activity performance of the students. An open feedback of the students have been asked and confessed that English training ensured them to be more productive and confident. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Mr. P. Adinarayana

Details of the activity

Date: 04 Feb, 2022

Name of the activity : Cancer awareness program

Resource person : Dr.AVINASH

Oncologist and Radiologist

Balaji Institute of Pharmaceutical Sciences has conducted a cancer awareness program in the college campus on the occasion of world breast cancer day. The resource person was Dr.AVINASH **Oncologist** at Hyderabad. Sir has visited college and delivered a lecture explaining the causes, symptoms and problems of the cancer.102 students participated in the program. He also pointed the precautions to be taken and said that identifying the cancer symptoms at the earliest can make a better treatment. The Principal of Balaji Institute of Pharmaceutical Sciences Dr.Shyam Sundar has thanked madam for her visit and the awareness information.

REPORT

Name of the Program: Cardiopulmonary resuscitation training

Date: 28, Feb, 2023

Resource Person Details: Dr.sathish

Balaji Institute of Pharmaceutical Science

Balaji Institute of Pharmaceutical Science organised "A training program on "Cardiopulmonary resuscitation training for B. Pharmacy and Pharm-D students by Dr.sathish on 28, Feb, 2023.

The main objectives of conducting CPR Training is to manage an unresponsive casualty for the ones who is having an issue in normal breathing

- ✓ To Recognize and know the need to commence Cardiopulmonary Resuscitation (CPR)
- ✓ To Perform Cardiopulmonary Resuscitation using a manikin

About 93 students from both the courses have attended this informative programs. The talk gave a detailed information about-

- ✓ Assess the scene for danger.
- ✓ Assess a casualty's level of consciousness and minimize the damage.
- ✓ Demonstrate how to open a casualty's airway and check for breathing.
- ✓ Demonstrate how to place an unresponsive casualty in the recovery position.

Individuals with learning experience skills were been assessed. An open feedback from the students has been asked and confessed that CPR Training was very helpful as part of their Hospital postings. The management and principal of Balaji Institute of Pharmaceutical Science expressed the gratitude to Dr.sathish students for making the program successful.
