MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as the "MOU") is entered into on this 25th day of July 2019 by and between:

Balaji Institute of Pharmaceutical Sciences, Laknepally (V), Narsampet (M), Dist: Warangal - 506331, Telangana State, India, represented herein by its Principal, Dr.N.Raghuandan, (hereinafter referred to as the "FIRST PARTY"),

AND

LABINDIA ANALYTICAL INSTRUMENTS PVT. LTD., a Company incorporated under the laws of India, having its Registered Office, 1-1-37,CP Chamber 2nd floor, street No. 5, Habsiguda, Hyderabad Telangana, India500007 (hereinafter referred to as the "SECOND PARTY").

Outlined below are the key areas of collaboration that we propose:

We propose to collaborate on joint research projects that focus on the development and optimization of analytical instruments used in the pharmaceutical sector.

We suggest organizing joint training programs and workshops that aim to enhance the skills and knowledge of students and professionals in the field of analytical instruments.

We propose to offer internships and placement opportunities to your pharmacy college students, providing them with practical exposure and experience in the analytical instruments industry.

We suggest facilitating the exchange of professionals, researchers, and faculty members between our organizations

We believe that this MOU will create a strong foundation for a long-lasting partnership between the **LABINDIA ANALYTICAL INSTRUMENTS PVT. LTD** and **Balaji Institute of Pharmaceutical Sciences**.

LETTER OF ACCOMPLISHMENT

To
The Principal
Balaji Institute of Pharmaceutical Sciences,
Laknepally, Narsampet, Warangal,
Telangana-506331.

Dear Sir/Madam,

Sub: Letter of accomplishment for the year 2019-20reg.,

At Abhaya Hospital, Hanamkonda we certify accomplishment by the students of **Balaji Institute of Pharmaceutical Sciences** for their hard work and dedication in involvement of health-related and patient centric approach to jointly accomplish activities in "World hepatitis day" and other health related initiatives.

We expect greater accomplishments to be undertaken jointly by the Hospital staff (in relevant initiatives/patient centric work) and the students, in future.

Thanks & Regards

Subject: Permission for providing Clerkship/Project/Internship for Pharm.D V/VI year under your able guidance – req - Reg.

Respected sir,

With reference to subject cited above, as per the norms and curriculum of Pharm.D V year program the students have to undergo 02 months of clerkship and 06 months of project work. Whereas Pharm.D VI year students have to do their Internship for 06 months in General Medicine and 02 months in three different specializations each. Besides that, the students have to participate in ward rounds, identifying drug interactions (DIs), ADRs, medication errors and counsel the patients. Therefore, we request you to kindly permit them to work under your guidance. We also assure you that the student does not violate routine hospital work, norms, terms & conditions laid by your esteemed hospital.

Thanking you sir

LETTER OF ACCOMPLISHMENT

To
The Principal
Balaji Institute of Pharmaceutical Sciences,
Laknepally, Narsampet, Warangal,
Telangana-506331.

Dear Sir/Madam,

Sub: Letter of accomplishment for the year 2019-20reg.,

At Jayakrishna Hospital, Hanamkonda we certify accomplishment by the students of **Balaji Institute of Pharmaceutical Sciences** for their hard work and dedication in involvement of health-related and patient centric approach to jointly accomplish activities in "World mental health day" and other health related initiatives.

We expect greater accomplishments to be undertaken jointly by the Hospital staff (in relevant initiatives/patient centric work) and the students, in future.

Thanks & Regards

***Roles & Responsibilities of Coordinator and Deputy Coordinator
Of***

Adverse Drug Reaction Monitoring Centres (AMCs):

With the aim to fulfil the overall quality objectives of Pharmacovigilance Programme of India (PvPI), the following guideline has been designed for all structures, process as well as the conduct of all tasks and responsibilities. If performance of the ADR Monitoring Centre (AMC) is found unsatisfactory, the Competent Authority reserves the right to derecognise the AMC, and no further correspondence in this regard will be entertained.

The Coordinators and Deputy Coordinators of the Adverse Drug Reaction Monitoring Centres (AMCs) have been assigned the following Roles & Responsibilities in order to ensure the smooth functioning of the AMCs.

Role of the AMC Coordinator:

- 1) Establishment and capacity building of AMC and assuring the logistics & infrastructural facilities for smooth functioning of the PvPI activities.
- 2) Ensure adherence to the defined core principles and quality policy of the PvPI.
- 3) Ensure a systematic approach towards quality management system, its implementation and maintenance.
- 4) Meeting commitments and responding to the requests from competent authorities/NCC for correct and complete information.
- 5) Ensure the timely and effective communication with NCC-PvPI.
- 6) Communicating information to healthcare professionals and patients about Drug safety alerts and signals issued from NCC-PvPI to promote patient safety.
- 7) Ensure the adequate compliance management (if any) when asked from NCC-PvPI.
- 8) Coordination with the auditors appointed by NCC-PvPI/CDSO in order to ensure the smooth functioning of AMC.
- 9) Good cooperation should be fostered between Pharmacovigilance Associate (PvA) competent authorities, patients, healthcare professionals and other relevant bodies in

INDIAN PHARMACOPOEIA COMMISSION

National Coordination Centre- Pharmacovigilance Programme of India (PvPI)
accordance with the provisions for the conduct of Pharmacovigilance processes at
AMC.

Responsibilities of the Coordinator:

- 1) Responsible for the overall performance of Pharmacovigilance activities and progress of AMC.
- 2) To ensure the formation of Causality Assessment Committee (CAC) and timely conductance of meetings as per SOP.
- 3) Ensure the availability of all the documents at AMC as per SOP.
- 4) Monitor and guide the Pharmacovigilance Associate (if appointed) to perform the assigned duties of PvPI.
- 5) Maintain the confidentiality of the Vigiflow login details and ensure timely electronic transmission of Individual Case Safety Reports (ICSRs) to NCC-PvPI through software.
- 6) Ensure the quality of Pharmacovigilance data submitted to the NCC-PvPI.
- 7) Establish mechanisms enabling the traceability and follow-up of ADR reports and ensure that it is handled and stored in a way to allow accurate reporting, interpretation and verification of that information whenever queried from NCC/Competent authorities.
- 8) Ensure the availability of the archiving arrangements for the electronic and/or hardcopies of the ADR reports (Source documents) at AMC and the retention of the documents as per the Pharmacovigilance norms.
- 9) Ensure availability of the summary / description of the training / CME / awareness / sensitization programmes on Pharmacovigilance etc. conducted at AMC including the records and certificates.
- 10) Ensure good Coordination/communication between the appointed PvA and various departments of the college/hospital.

Role of the Deputy Coordinator:

- 1) Assisting and coordinating with the Coordinator of the AMC for PvPI activities and smooth functioning of the AMC.

- 2) Assist in ensuring the adherence to the defined core principles and quality policy of PvPI.
- 3) Ensure the timely and effective communication with NCC-PvPI in absence of the AMC Coordinator and vice versa.
- 4) Handling of overall activities of AMC in case of Superannuation/transfer of the Coordinator till further appointment of the Coordinator at the centre and intimation to NCC-PvPI immediately.
- 5) Coordination with the AMC coordinator for awareness among healthcare professionals and patient for ADR reporting and drug safety.
- 6) Assisting coordinator to provide the information for adequate compliance management.
- 7) Foster good cooperation between Pharmacovigilance Associate, competent authorities, patients, healthcare professionals and other relevant bodies (if any) in accordance with the provisions for the conduct of Pharmacovigilance processes at AMC.

Responsibilities of the Deputy Coordinator:

- 1) Responsible for the conductance of the Pharmacovigilance activities and progress of AMCs.
- 2) Verifying the availability of all the documents at AMC as per SOP.
- 3) Ensure the quality of Pharmacovigilance data including the correctness and completeness submitted to the NCC-PvPI.
- 4) Ensure the traceability and follow-up of ADR reports and providing the information when queried from NCC/Competent authorities through the coordinator of AMC.
