In accordance with the green policy of the college we knew that injudicious use of paper not only leads instructions expenditure but also impacts the environment as trees are the major source of paper pulp production. With a view to further stress the importance of economy in use of paper the following points are to be followed.

1. Policy instructions /guidelines issued through orders, circulars, etc. may be uploaded on the official website, and can be communicated in mail id.
2. Manual submission of forms, returns etc. wherever stipulated, either under statutory obligations or otherwise should be discouraged
3. Switching over to e- forms, online submission of forms/returns etc. may be encouraged
4. Notes should be typed /written on both sides of paper /note sheet

Wherever possible and suitable use one side papers.

S.No	Name of the NSS/NCC activity	Report
1.	National Pharmacy Education day rally	The NSS Activity Report highlights the successful commemoration of National Pharmacy Education Day at Balaji Institute of Pharmaceutical Sciences. The event welcomed Dr. Vasudevamurthy, Chief Guest and Principal of Jayamukhi College of Pharmacy. The rally emphasized the vital role of pharmacy education. Dr. Vasudevamurthy delivered an enlightening speech on its significance, inspiring both students and faculty. The occasion fostered collaboration and knowledge exchange among pharmacy enthusiasts. It underscored the commitment of educational institutions towards nurturing future pharmacists. The event's success was a testament to NSS's dedication to promoting awareness and fostering connections in the realm of pharmaceutical education
2.	International women's day	The NSS activity report on International Women's Day at Balaji Institute of Pharmaceutical Sciences featured Dr. Vanaja, an Ayurvedic Medical Practitioner, as the esteemed chief guest. The event witnessed the participation of 150 girl students. Dr. Vanaja's inspiring address highlighted the pivotal role of women in healthcare and encouraged the aspiring pharmacists to break barriers. The occasion also included interactive sessions, discussions on gender equality, and career prospects. Through this event, the institute celebrated the achievements of women in the pharmaceutical field while fostering empowerment and awareness among the students about their significant role in shaping the healthcare landscape.
3.	National science day	The NSS activity report for National Science Day at Balaji Institute of Pharmaceutical Sciences shines with the presence of esteemed Chief Guest Dr. Shravan, MHRD IIC Ambassador. Over 300 enthusiastic students participated, adding fervor to the event. The day celebrated scientific inquiry and innovation, aligning perfectly with the institution's academic ethos. Dr. Shravan's insightful discourse inspired young minds, underscoring the significance of science in society. This event fostered knowledge exchange and community engagement, reinforcing the institute's commitment to holistic education. The student turnout showcased the enduring curiosity and passion for scientific advancement among the next generation of pharmaceutical professionals.
4.	Blood Donation Day	The Blood Donation Day at Balaji Institute of Pharmaceutical Sciences was a highly active participation from 100 students. The event, graced by Chief Guest Dr. A. Rajendra Prasad Reddy, Chairman of Balaji Group of Institutions Narsampet Warangal aimed to foster awareness among the next generation of pharmaceutical professionals.

	<p>culture of altruism. Students enthusiastically donated blood, exemplifying their commitment to social welfare. Dr. Reddy's presence underscored the significance of such initiatives in healthcare education. The event not only promoted the noble cause of blood donation but also showcased the institute's dedication to producing socially responsible future pharmacists. This collective effort resonates with the institute's ethos and community engagement goals.</p>
<p>5. Campaign on Food & Nutrition</p>	<p>The NSS activity report highlights the impactful Campaign on Food & Nutrition conducted at Balaji Institute of Pharmaceutical Sciences, graced by Dr. A. Rajendra Prasad Reddy, Chairman of Balaji Group of Institutions. With the participation of 100 students from Narsampet, Warangal, the event aimed to raise awareness about crucial dietary aspects. Dr. Reddy's presence elevated the event's significance, emphasizing the institution's commitment to holistic education. The campaign's engagement with students underscores their role as future healthcare professionals. Through such initiatives, the institute strengthens its community bond and contributes to the vital cause of promoting proper food and nutrition practices</p>
<p>6. Plantation of Medicinal Plants</p>	<p>Under the guidance of Dr. A. Shyam Sunder, Principal of Balaji Institute of Pharmaceutical Sciences, and Associate Professor Mrs. Kavitha of the Department of Pharmacognosy, a noteworthy NSS activity was carried out. Involving 100 students, the initiative centered on planting medicinal plants. This endeavor aimed to promote environmental sustainability while nurturing valuable botanical resources for pharmaceutical research. The collaboration between students and faculty showcases a commitment to holistic education, combining theoretical knowledge with hands-on ecological stewardship. This endeavor not only benefits the campus ecosystem but also instills a sense of responsibility and awareness among the participants regarding the importance of medicinal flora.</p>
<p>7. Awareness and Prevalence of Anemia</p>	<p>The NSS activity report on Anemia Awareness at Balaji Institute of Pharmaceutical Sciences was graced by Dr. A. Rajendra Prasad Reddy, Chairman of Balaji Group of Institutions. The event saw participation from 250 students. The report aimed to enhance understanding of anemia's prevalence, causes, and preventive measures. Dr. Reddy's insightful presence motivated students to address public health issues. Through this initiative, NSS fostered health education and community engagement. It not only deepened students' awareness but also exemplified the institution's commitment to holistic education and societal well-being. The event underscored the importance of collaborative efforts in combating health challenges.</p>
<p>8. Swachh Bharat</p>	<p>Under the guidance of Principal Dr. A Shyam Sunder, the Balaji Institute of Pharmaceutical Sciences witnessed a dynamic NSS activity in support of the Swachh Bharat Abhiyan. With enthusiastic participation from 250 students, the campus underwent a remarkable transformation. The diligent efforts of these students resulted in a clean and sustainable environment, showcasing their commitment to cleanliness and sustainability. This initiative aligns with the nationwide campaign, reflecting the institute's dedication to</p>

9.	Blood Donation Camp	<p>creating a cleaner and greener future. The NSS activity report highlights the pivotal role educational institutions play in fostering positive change within society through active engagement and responsible practices.</p> <p>The Blood Donation Camp held at Balaji Institute of Pharmaceutical Sciences welcomed the Chief Guest, Mandal Revenue Officer of Narsampet, Warangal. With participation from 250 students, the event showcased an inspiring commitment to community welfare. Students' enthusiastic engagement underscored the significance of voluntary blood donation. The Chief Guest's insightful address emphasized the life-saving impact of such initiatives. This NSS activity fosters empathy, unity, and health awareness, aligning with the institute's dedication to holistic education. The event's resounding success echoes the potential for future endeavors that contribute meaningfully to society while nurturing socially responsible pharmacy professionals.</p>
10.	Plantation	<p>Under the guidance of Principal Dr. A Shyam Sunder, Balaji Institute of Pharmaceutical Sciences witnessed a successful NSS Plantation Drive. With the active participation of 300 students, the college campus underwent a remarkable transformation as it became free from plastic waste. This initiative not only promoted environmental consciousness but also instilled a sense of responsibility within the students. By nurturing a greener environment through extensive plantation, the NSS activity demonstrated the institution's commitment to sustainable practices. Under the visionary leadership of Dr. Shyam Sunder, the event showcased the potential of collective efforts in creating a cleaner and healthier campus ecosystem.</p>
11.	Medical Camp	<p>The NSS activity report highlights a successful Medical Camp at Balaji Institute of Pharmaceutical Sciences. Dr. Rajendra Prasad Reddy, Chairman of Balaji Group of Institutions graced the event as Chief Guest. The camp witnessed the enthusiastic participation of 300 students. The initiative aimed to provide essential medical services to the community while offering students practical exposure. Services included health check-ups, consultations, and health education. Dr. Reddy's presence emphasized the institution's commitment to holistic education and community welfare. This event not only benefited the community but also empowered students with real-world healthcare insights, fostering a sense of social responsibility.</p>
12.	Haritha Haram	<p>The NSS activity report highlights the impactful Haritha Haram event at Balaji Institute of Pharmaceutical Sciences. Dr. Rajendra Prasad Reddy, Chairman of Balaji Group of Institutions, graced the occasion as the Chief Guest. With enthusiastic participation from 300 students, the event symbolized the institute's commitment to environmental conservation. The initiative aligns with the nationwide Haritha Haram campaign, focusing on tree plantation and greenery enhancement. Dr. Reddy's presence underscored the institution's dedication to holistic education and sustainable practices, fostering a sense of responsibility among students. The event fostered environmental awareness and highlighted the institute's dedication to a greener future.</p>

13.	Food distribution at sanjeevani Ashramam	<p>The NSS activity report highlights the successful food distribution event at Sanjeevani Ashramam, where 150 students from Balaji Institute of Pharmaceutical Sciences participated. The endeavor aimed to alleviate hunger in the community, reflecting the students' commitment to social welfare. Through seamless coordination, nutritious meals were provided to the underprivileged at Sanjeevani Ashramam. The event fostered a sense of responsibility and empathy among the students, reinforcing the importance of community engagement. This collaborative effort showcased the potential for education institutions to drive positive change, emphasizing the significance of such endeavors in building a compassionate society.</p>
14.	Swachh Bharth 2.0	<p>Under the guidance of Principal Dr. A Shyam Sunder, the Balaji Institute of Pharmaceutical Sciences witnessed a dynamic NSS activity in support of the Swachh Bharat Abhiyan. With enthusiastic participation from 250 students, the campus underwent a remarkable transformation. The diligent efforts of these students resulted in a plastic-free environment, showcasing their commitment to cleanliness and sustainability. This initiative aligns with the nationwide campaign, reflecting the institute's dedication to creating a cleaner and greener future. The NSS activity report highlights the pivotal role educational institutions play in fostering positive change within society through active engagement and responsible practices.</p>
15.	Fit India-Freedom run	<p>The NSS Activity Report highlights the Fit India-Freedom Run at Balaji Institute of Pharmaceutical Sciences, graced by Chief Guest Dr. Rajendra Prasad Reddy, Chairman of Balaji Group of Institutions. Over 300 enthusiastic students participated, promoting fitness and freedom. The event fused the ideals of health and patriotism, aligning with the Fit India movement. Dr. Reddy's presence inspired and motivated the participants, underscoring the institution's commitment to holistic development. The run symbolized unity, celebrating both physical wellness and India's struggle for independence. The event showcased the institute's dedication to fostering well-rounded individuals, merging heritage and wellness seamlessly.</p>
16.	NSS program officers meet with collector regarding SVEEP activities	<p>The NSS activity report highlights a significant event where NSS program officers engaged with Collector Rajiv Gandhi Hanumanthu of Hanamkonda regarding SVEEP activities. Mr. P Siddhartha Kumar, the NSS program officer from Balaji Institute of Pharmaceutical Sciences, participated as the college representative. This interaction aimed to enhance voter awareness through Systematic Voters' Education and Electoral Participation (SVEEP) initiatives. The collaboration between the NSS team and the collector demonstrates a proactive effort to promote civic engagement and democratic participation among the community. Such efforts play a crucial role in fostering informed and responsible citizenship.</p>

17.	World AIDS day	<p>The NSS activity report on World AIDS Day at Balaji Institute of Pharmaceutical Sciences, led by Principal Dr. A Shyamsunder, marked a significant event. With the participation of 300 students, a rally was conducted to raise Awareness about HIV/AIDS. The event aimed to disseminate vital information about prevention, treatment, and destigmatization. Various informative sessions highlighted the importance of safe practices and debunked myths surrounding the disease. The active involvement of students showcased their commitment to community health. The event underscored the institute's dedication to fostering informed and responsible pharmacists, contributing positively to the fight against HIV/AIDS.</p>
18.	World Blood Donor Day	<p>Under the guidance of Principal Dr. A Shyamsunder, Balaji Institute of Pharmaceutical Sciences orchestrated a commendable event in celebration of World Blood Donor Day. With the enthusiastic participation of 300 students, the NSS activity report reflects a vibrant engagement in promoting blood donation awareness. This event not only emphasized the importance of voluntary blood donation but also highlighted the pivotal role of the youth in healthcare initiatives. The students' proactive involvement showcases the institution's dedication to nurturing socially responsible and compassionate individuals. The success of the event underscores the institute's commitment to community welfare and health education</p>
19.	Awareness of Taking the Right Medicine	<p>The NSS activity at Balaji Institute of Pharmaceutical Sciences, led by Principal Dr. A Shyamsunder orchestrated a remarkable Rally on Awareness of Taking the Right Medicine. Involving 300 zealous students, the event aimed to foster responsible medication practices. The rally conveyed vital information on accurate dosage, potential interactions, and adherence to prescriptions. Through this initiative, participants engaged with the community, disseminating knowledge that empowers individuals to make informed decisions about their health. Dr. Shyamsunder's guidance ensured the event's success, highlighting the institute's commitment to holistic education and community welfare. The rally stands as a testament to the institute's dedication to producing socially conscious healthcare professionals.</p>
20.	Distribution of Eco-friendly Ganesha	<p>Under the esteemed guidance of Principal Dr. A. Balaji, Institute of Pharmaceutical Sciences, 300 enthusiastic students took part in an NSS initiative at Narsampet Mandal. The activity centered on the distribution of eco-friendly Ganesha idols, reflecting the institution's commitment to sustainability. These idols, crafted from biodegradable materials, aimed to promote environmental consciousness during festive celebrations. This collaborative effort not only fostered a sense of social responsibility among students but also contributed to raising awareness about eco-friendly practices in the community. By blending tradition with innovation, the event showcased the institute's dedication to nurturing informed and responsible citizens.</p>

	<p>robust exchange of information, fostering deeper cognizance about the virus. Through such initiatives, the institution thrives in its commitment to cultivating informed and responsible citizens, poised to combat global challenges effectively.</p>
<p>26. Utilities Distribution during Covid-19</p>	<p>The NSS activity report on Utilities Distribution during Covid-19 at Maheshwaram reflects Balaji Institute of Pharmaceutical Sciences' commitment. Dr. A. Rajendraprasad Reddy, Chairman of Balaji Group of Institutions, graced the event as Chief Guest. With 25 students participating, the initiative addressed critical utility needs amidst the pandemic. This effort showcases the institution's dedication to community welfare and highlights the collaborative spirit between academia and society, echoing the core values of social responsibility and empathy.</p>
<p>27. Health Camp</p>	<p>The NSS Health Camp at Balaji Institute of Pharmaceutical Sciences witnessed the dynamic presence of Chief Guest Dr. A. Rajendraprasad Reddy, Chairman of Balaji Group of Institutions. Over 100 enthusiastic students actively participated in the event. The camp facilitated invaluable health check-ups and awareness sessions, promoting well-being within the academic community. Dr. Reddy's insights added substantial value, encouraging students to blend pharmaceutical expertise with holistic health perspectives. This collaborative effort exemplifies the institution's commitment to nurturing not only future pharmacists but also responsible healthcare advocates. The event's success echoes the symbiotic relationship between education and community welfare.</p>
<p>28. No Tobacco Day</p>	<p>The NSS activity report on No Tobacco Day at Damera village, led by the local sarpanch, showcased a significant stride towards awareness. With participation from 50 students, the event conveyed a resounding message against tobacco. Informative sessions, interactive discussions, and awareness drives highlighted the detrimental impact of tobacco on health. The students' active involvement reflected their commitment to community well-being. By fostering dialogue and disseminating crucial information, the initiative aimed to curb tobacco usage. The event stood as a testament to collaborative efforts, emphasizing the role of education and local leadership in promoting healthier lifestyles.</p>
<p>29. Awareness on Organ Donation Day</p>	<p>The NSS activity report highlights the impactful event held at IMA Women's Doctor Wing in Narsampet to raise Awareness on Organ Donation Day. Dr. A. Vanaja provided guidance for the initiative. Over 100 students actively participated in the event, demonstrating a keen interest in promoting organ donation. The event encompassed informative talks, interactive sessions, and distribution of educational materials, effectively disseminating knowledge about the significance of organ donation. Through the collaboration of the NSS team, Dr. A. Vanaja's leadership, and the enthusiastic engagement of the students, the event successfully increased awareness and encouraged positive discussions around this critical healthcare topic.</p>
