## NoVehicleDay:-

To avoid the air pollution the vehicles are not allowed in the campus but they are parked in the parking area, reasonably away from college. Our college has a separate parking area to avoid pollution. The **Second Thursday** of every month is declared as no vehicle/ bicycle day in our college. No staff member or students is allowed with vehicle on these two days and the staff and student strictly follow these guidelines.

### Rain Water Harvesting

There is a good potential for rain water harvesting in a college. This water can be used for purposes like gardening, bores, wells, etc.

Feasibility study can be carried out to know the actual potential from rain water harvesting project
